For purposes of this policy, a procurement card means a system by which a unique single-use credit card number is provided to a vendor or contractor for the one-time payment of an authorized claim of the Town, and which requires authorized Town officials to control, direct, and limit the disbursement, recipient, timing, payment amount, and source of funds that may be transferred.

 - (c) Each separate payment through a procurement card shall not exceed the individual amounts authorized by the Town Council through the claim approval process.
 - (d) The Clerk-Treasurer, Deputy Clerk-Treasurer, and Town Manager shall be the only officials authorized to approve the payment or release of funds through a procurement card.

- II. Use of Town Procurement Cards.
 - (a) All uses of procurement cards must be for Town business only. Under no circumstances may Town procurement cards be used for personal or any non-Town purposes. The following constitutes appropriate purposes for which Town procurement cards may be used:

- (b) When the purpose for which the procurement card has been issued has been accomplished, the procurement card should be voided or returned to the custody of the Clerk-Treasurer.
- (c) The Town's procurement cards shall be used in conjunction with the Town's accounting system. Procurement cards shall not be used to bypass the Town's purchasing system, or Town rules and regulations relating to purchasing agents, purchasing processes, and procedures.

Supporting documents such as paid bills and receipts must be available and attached to the bill for reconciliation and payment.
- (b) Any interest or penalty incurred due to late filing or furnishing of documentation by an officer or employee should be the responsibility of that officer or employee.
